

A.K CHILDREN ACADEMY

Moral Evaluation Chart (Session 2018 -19)

Class: III - VIII

7th April'18 – 21st April'18

NAME : _____

CLASS: _____

Submission Date: 23rd April'18

Moral Values(Sanskaar...The soul of India.)

We are blessed to take birth in a country that has rich cultural values.

संस्कृति अर्थात संस्कारित कृति | *A mannered being is the reflection of a society. A well educated, mannered person is greeted at all places. He shows a disciplined personality with exquisite principals, lifestyle, cuisine, literature, culture & fine arts.*

Being teachers...the educators , we have a responsibility to give such disciplined well mannered citizens to our country. This M.I chart (given to every child)is a small step towards it. But we are sure that with the children and parents support, we will definitely get our goal achieved. In our school we focus on inculcating moral values in our students and for this a special period is provided everyday along with all time persuasion.

- ❖ *The parents are requested to fill the chart after observing the behavior of child. Teacher will also observe the same in the school .*
- ❖ *Parent's suggestions are always welcomed. They may contact the concerned teacher for this.*

Dear Parents kindly notice and judge the following points in your ward at home. Then give marks out of 5 every day according to your observation.

Evaluation Points:	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	Total (75)
I touch feet / wish everyone. (at home as well as in school)																
I keep my desk, table/ study place clean & organized thereby helping many persons who are involved in its cleanliness. (at home as well as in school)																
I remain in queue whenever required. (in school hours)																
I dress up myself smartly. (in school hours)																
Any two changes that the parents want to see in their child.																
1.																
2.																

In the above last two blanks, parents can fill & check any good change that they want to see in their child

My honest evaluation will help my child to become a good citizen.
